

LIFE COUNSELING CENTER MINISTRIES

Providing biblical counseling that is relationship based, Gospel centered, and clinically informed.

PRAYER MATTERS

We greatly value your prayers. Please join us in prayer for:

- Preparation for our counselors who have upcoming speaking and teaching engagements.
- Financial provision for the funding of a scholarship program to help those who need financial assistance in order to receive counseling.

FALL 2018 UPDATE

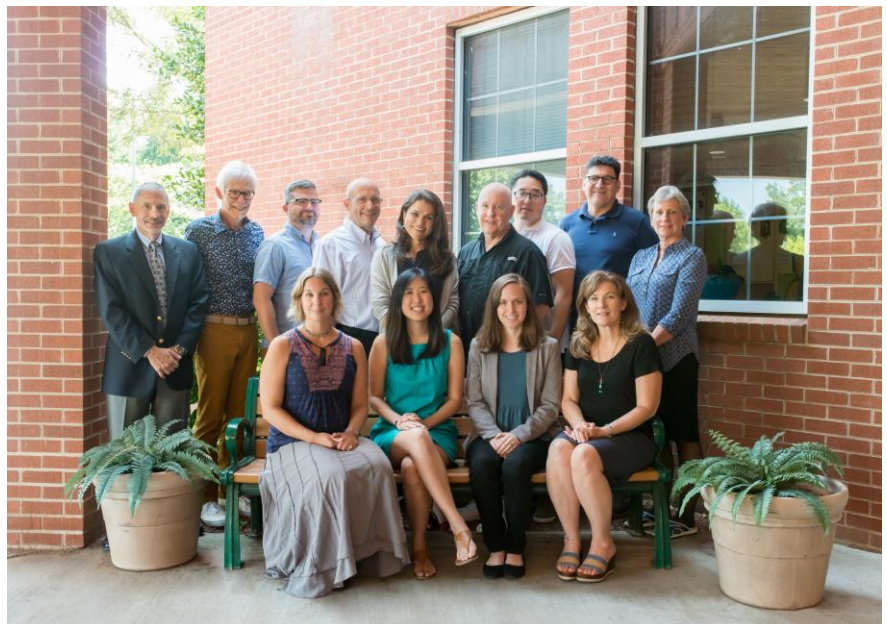

This summer was a busy time at the counseling center as we finalized our status as a 501c3 nonprofit ministry. God, in his great kindness, brought together an amazing group of people passionate about biblical care and counseling. The Lord so clearly answered our prayers in each person who willingly accepted the invitation to serve and advise this ministry. It is with gratitude and excitement that we introduce you to our board of directors pictured below with our counseling team.

We are also excited to add Jordan Smith to our counseling team at our Roland Park location. She is serving there by providing counseling to women and children. In addition, families covered by Blue Cross can now use their insurance to receive counseling for their children at our Chapelgate location with Jessica Shen.

The Lord continues to expand our reach of care. However, this ministry relies on donor support for this reach to continue. Please prayerfully consider supporting this ministry by giving a financial gift.
