SUMMER 2019 UPDATE

Fireworks, backyard barbeques, family gatherings, and church picnics! Summer is often a time for rest and renewal. It is also a time to reflect upon God's grace so abundantly and freely given. As we reflect upon these things, we thank God for our friend **David Powlison** of CCEF, who went home to be with the Lord on June 7th.

David has had an indelible impact on Life Counseling Center Ministries (LCCM). Whether it is through class lectures, CCEF conferences, podcasts, journal writings, books, or personal interaction, all of our counselors have learned from him.

His teaching and life faithfully pointed people to the truth of God's Word in a way that was winsome and practical. It was said of him that he was masterful at mapping people's lives onto the pages of Scripture.

As we grieve the loss of such a humble and wise counselor, mentor, and friend. We are comforted by his own words, "*God's voice speaks deeper than what hurts, brighter than what is dark, more enduring than what is lost, truer than what has happened.*"

Lay Counseling Supervision Group. Led by LCCM's Executive Director Eliza Huie, the *Lay Counseling Supervision Group* met monthly from January to June to discuss care topics, case studies, Scripture application, and to pray together. Lay counselors often find it difficult to connect with others or find necessary support. The *Lay Counseling Supervision Group* afforded the participants these opportunities! Shared wisdom and resources abounded on many topics of care. If you are interested in joining this group when it resumes, contact lccadmin@chapelgate.org.

Free Workshops. Our "*Let's Talk About...*" series of conversations on topics related to mental health and biblical counseling continues. Stay tuned for upcoming talks on, "*My Child and Mental Health*," "*Diagnosis, Disorders & Medications*," and "*Depression & Suicide*." Visit lifecounselingcenter.org/lets-talk-about/ for more information.

WHAT'S AHEAD?

Life Counseling Center Ministries has partnered with Metro Baltimore Seminary (MBS) to provide a Biblical Counseling Track for seminary students this Fall.

MBS offers a new approach to training up the next generation of Christian leaders that combines classroom experiences with practical ministry. LCCM's Executive Director, Eliza Huie, has joined the MBS leadership team and designed a ministry track that provides a hands-on approach to counseling training. Students will complete a series of practical ministry goals designed to develop competencies in biblical counseling. If you have an interest in applying to MBS and participating in the counseling track, email Dan Passerelli at dpasserelli@metrobalTIMOREseminary.org for more information or visit the MBS website: www.metrobalTIMOREseminary.org
